**South Carolina Public Service Commission**

RE: Application of Ready Set Movers, LLC for a Class E (Household Goods)  
Certificate of Public Convenience and Necessity for Operation of  
Motor Vehicle Carrier  
**Docket No. 2011-53-T, ELS File No. 2487-11750**

Dear Jocelyn:

During the hearing in the above-referenced Docket, the Chair reserved a late-filed exhibit for a pending Safety Inspection of the Applicant's vehicle and operations.

Because the Applicant cannot at this time confirm the date of the required Safety Inspection, I request that the Commission place the application on its Agenda for its next weekly meeting, and (in the event the Commission approves the application) condition the issuance of any Certificate of Public Convenience and Necessity on obtaining a satisfactory inspection.

I have discussed this request with counsel for the South Carolina Office of Regulatory Staff ("ORS"), and have been informed that the ORS has no objection to same.

Please let me know if any additional matters must be attended to at this time.

Sincerely,

s/ John J. Pringle, Jr.
